INTRODUCTION

Naif Mashal Al-Azmi Company&partners (NMA) is one of the most innovative and a stand-alone establishment which was founded in 2006 of hijri 1427 as one of the civil and electro-mechanical contractors in eastern province working with various clients in Saudi Arabia since it's founded. Recently its formed as a company from establishment.

NMA is a collection of highly qualified and experienced Engineers & Managers from different regions with different experience to provide the market/projects the latest technologies existing in the world in different fields.

NMA is a General Contractor covering all phases of construction in the Civil and Electro-Mechanical field of Saudi Aramco Gas and oil. We maintain a Staff of qualified Managers, Engineers and Craftsmen. Our past record of job completions proved our professionalism and management abilities. We are known in the industry for early completion of all our projects. We maintain a full list of support services for its various operations with extensive land, housing and camp facilities, storage and warehousing facilities in a comprehensive approach to do the best of services to the clients. Experienced management and professional staff support all the activities and departments.

NMA has a total staff of **SKILLED PROFESSIONALS** and around 100+ workers of various nationalities among them: Saudis, Filipinos, Pakistanis, Indians, Bangladeshis and Nepalese.

Our Vision

Founded on centric philosophy & professionalism, NMA will achieve its mission through developing portfolio of products/projects in line with corporate mission, product posting & testing, and high profile trading & construction transactions with sustainable growth.

Our Mission

NMA aims to become the strategic hub for Projects & products that are inclining with the corporate mission.

NMA continues to build successful ventures with new technologies and market leaders, as well as with regional companies & organizations.

NMA expertise & experience ensure we are well placed to continue offering our partners very exciting investment prospects.

We look forward to develop a successful and fruitful business relationship with assurance of our best service and attention at all time.

CONSTRUCTION-DIV.

NMA

Is committed to build and sustain the leader(s) position in the oil,gas, petrochemical and other energy sector industries. Our business plan is focused on providing superior quality and cost effective static process, equipment and its related services to a wide range of markets using our advance technology,the experience of our diverse management team,capital and all available resources.

We will continue to pursue growth through geographic expansion and strategic mergers and acquisitions. Our aim is to profitably expand and diversify our services and areas of operations while further developing our existing lines of business. Through organic and non-organic expansion, our primary objectives are to increase the volume of equipment supply and wide range of services delivered. Generate significant revenue growth, continue expansion, identify operating efficiencies and reduce the cost of capital. We believe that these objectives can be achieved by continued adherence to the step-by-step completion of our business plan, which will result in bottom-line financial performance and increased equity value to our shareholders

“NMA”

Stands out in the industry for "zero" lost time injury operation. The foundations of our business are based on the ethical and moral principal of respect for people and the environment. Business wise, we firmly believe in adherence to strong corporate governance in support of our shareholders. All this has helped NMA tremendously in not only shaping our dreams into reality but also earning respect from all the industry players

We committed to recruiting, retaining and developing a diverse team of talented professionals from around the world. Our team of experienced professional is dedicated to providing outstanding services and ensuring customer satisfaction in all areas of operation. We are always determined to achieve safe and improved operational records. With the vision and Mission that NMA carries, we are moving towards a stronger market position day by

day. This trend has been justified by an outstanding increase of growth in the last five successive years

In order to achieve overall goals effectively, we put great emphasis on Quality, Health, Safety and the Environment. We provide our clients with services which are of the highest professional and technical standards, which comply with QHSE and local statutory requirements. Our dedication and devotion is to have a safer and cleaner environment.

We strongly believe that with the devotion and sincerity of our employees, support of our investors and trust of our clients, we will develop new ventures leading to further progress and prosperity in the years to come. We greatly value our business relationships and look forward to your continued support and interest in the exciting years ahead in making NMA the static process equipment and related service company of choice in Oil & Gas and Petrochemical industries.

MESSAGE OF THE GENERAL MANAGER

Dear Sir,

NMA is operating from Dammam City, and rapidly expanding organization offering a wide range of support in the field of building construction, steel fabrication, and maintenance and manpower supply services. Valve service in onshore, offshore platform. In wide range of scarp plants, pipes, ships demolition, purchase and sale. Consequently, our continuous pursuit for recognition and devoted customer service during its establishment, we have secured the confidence and appreciation of our clients. We have highly qualified and technically skilled manpower for civil, electrical and mechanical field. We provide all the facilities to the workers as per the Saudi labor law and this setup has proved to be the strategy of our persistent success.

We are highly committed to fulfill the demand of our client with very efficient manner. Our first priority to satisfy the client is with great devotion & sincerity.

We will be looking forward to have the opportunity to serve as well as to prove our capability, strength& commitment.

With Best Regards,
NaifMashaAl-Azmi
General Manager
